

Resolution  
of the  
7<sup>th</sup> International Symposium for Railroad Universities in Europe and Asia  
&  
General Meeting of the IASTU APC Members

Dalian

May 12, 2014

Being aware of common problems and the urgent demand for the joint efforts of the higher educational institutions, research institutions, enterprises of the railway industry and other organizations concerned, the General Meeting of the IASTU APC members adopts the following

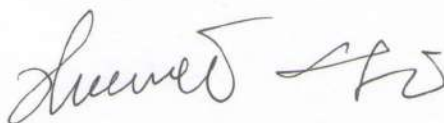

**RESOLUTION:**

1. To develop and maintain education and research cooperation among all the participants of the Symposium and members of the International Association of Transport Universities of Asia-Pacific Countries in the frames of Association's permanent committees.
2. To improve efficiency of the IASTU APC permanent committees by:
  - making annual reports to sum up the activities of each committee;
  - appointing Nanjing Institute of railway technology as a coordinator for "Logistics and Eurasian Transport Corridors Development" committee;
  - establishing the new committee "For Training Personnel for High-speed Railways in Europe and Asia" with Dalian Jiaotong University as its coordinator.
3. To continue the developing of the Network University's Unified Database.
4. To accept the following university as a new member of the IASTU APC:

- Samara State Transport University (Russian Federation).

5. To hold the 8<sup>th</sup> International Symposium of Railroad Universities in Europe and Asia and regular Meeting of members of IASTU APC in Nanjing Institute of railway technology (China). Alternative venue – The Far East State Transport University. Target term of the next Symposium – May, 2015 (to be specified).
