

Resolution
of the 6th International Symposium for Railroad Universities in Europe and Asia
&
General Meeting of the IASTU APC Members

Seoul

April 10, 2013

Being aware of common problems and the urgent demand for the joint efforts of the higher educational institutions, research institutions, enterprises of the railway industry and other organizations concerned, the General Meeting of the IASTU APC members adopts the following

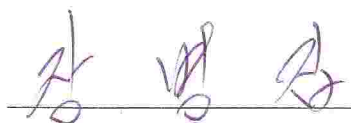

RESOLUTION:

1. To develop and maintain education and research cooperation among all the participants of the Symposium and members of the International Association of Transport Universities of Asian-Pacific Countries;
2. To improve efficiency of the IASTU APC permanent committees by electing following universities for coordinators in charge for:
 - Committee for Education and Research – Far Eastern State Transport University (Russian Federation);
 - Committee for High-Speed Traffic – Dnepropetrovsk National University of Railway Transport (Ukraine);
 - Committee for Geotechnical Research – Irkutsk State University of Railway Engineering (Russian Federation);
 - Committee for Logistics and Eurasian Transport Corridors Development – Committee coordinator will be elected in working order.
3. To establish the new IASTU APC permanent Committee for Energy Saving & Efficiency. To appoint Omsk State Transport University (Russian Federation) for Committee coordination.
4. To approve a Committee Statute in working order.
5. In order to establish a Network University for Transport and Logistics of the APR countries at the IASTU APR:
 - 1) To make a partnership agreement in the frames of the Network University;

- 2) To consider propositions for realization of education programs in the frames of the Network University.
6. To accept the following universities as new members of the IASTU APC:
- 1) Dnepropetrovsk National University of Railway Transport (Ukraine)
 - 2) Donetsk Railway Transport Institute (Ukraine)
 - 3) Tashkent Institute of Railway Engineering (Uzbekistan)
 - 4) Kazakh University of Ways of Communication (Kazakhstan)
7. To hold the 7th International Symposium of Railroad Universities in Europe and Asia and regular Meeting of members of IASTU APC in Dalian Jiaotong University (China). Alternative venue 1 – Ulaanbaatar Railway Institute (Mongolia), alternative venue 2 – Siberian Transport University (Russian Federation). Planned term of the next Symposium – April-May, 2014.
